Hey folks,

Looking forward to seeing you all Friday! We've put some work in to clarifying everyone's roles, the event timing and site plan:

I'm attaching:

1) A spread sheet with the expected roles, timing for the day. Note that the second tab has everyone's cell numbers. If there are any changes that I need to make, let me know and I'll send out a revision before 5pm tomorrow.

2) A layout of the site so everyone knows where to set up (thanks Kaitlin for the great graphic).

The Mayor is now scheduled to arrive at 3:15pm, although that is always subject to change without notice.

Thanks again for everyone's contributions to making this a great event!

See you on Friday.

Cheers,

Carter

p.s. Please let me know if there's anyone I've left off who should be in the loop.

Hi all,

Please see the revised excel sheet with updated "run of show" timing, revised flyer with updated VAN Beethoven timing, and the original site plan (so you have all three docs in one place).

Friendly reminder: day of contact numbers are listed on the second sheet of the excel doc.

Go team #barklet!

Cheers,

Carter
